**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer that supports broadband competition. I have used Internet services from large carriers like Comcast in the past, and they lack innovation, are slow, and not fairly priced. Please continue to allow innovators into the market so that the US has a chance at having innovative broadband options. We are already far behind other countries in this regard.
